Styled by action and adventure

GENERAL STORE

Toyota has a long tradition of creating vehicles that rise to the challenge, and Fortuner is no exception. With genuine 4x4 capabilities, it's purposely designed to deliver the ideal balance between the demands of a quick trip to the hardware store, as easily as tackling outback tracks on your next adventure.

By drawing inspiration from iconic Toyota SUVs and HiLux range, the powerful and comfortably appointed Fortuner redefines the capabilities of a polished SUV.

The progressive exterior styling features a distinctive black grille with silver paint surround on GX grade and a chrome surround finish on GXL and Crusade.

Sleek Bi-LED headlamps are set in chrome accents on GX and GXL grades, with Premium Bi-LED headlamps standard on Crusade. These use the same advanced lighting technology for high or low beam and will automatically maintain a constant beam angle, as the load weight increases or decreases. Integrated LED Daytime

Running Lamps complement the headlamps to ensure you can be seen at all times.

Rugged, functional and capable, Fortuner represents the shape of the future. So whether you're taking on tough Australian terrain or simply escaping for a weekend, Fortuner is built to take you further.

Front cover: Crusade model shown in Glacier White
This page: Crusade model shown in Eclipse Black

A seamless blend of comfort and intelligence

The interior of Fortuner has been aesthetically designed to help improve the way you travel, no matter how far or where you plan to adventure.

Variable Flow Control Steering provides a more natural feel and reduces the effort required by the driver by automatically delivering the optimal level of power steering to match the driving conditions. In Sport Mode, on GXL and Crusade, the steering is adjusted for a slightly heavier feel and control, plus the Paddle Shifters on GXL and Crusade provide you with an even more connected drive.

The front dual-zone climate control on GXL and Crusade will constantly maintain the temperature for perfect comfort, no matter the weather outside. The flexible 7-seat layout includes an extremely functional 60:40 tumble and slide second row to provide ample space for family and friends, as well as the capability to carry diverse loads such as camping gear with ease.

Whatever your destination, you'll always find a welcoming space of modern comfort and practicality inside Fortuner.

Technology to take you further

The technology found within every Fortuner grade has been inspired by functional simplicity. Everything has been designed around the latest innovations to help your drive be a more enjoyable and effortless experience.

The 4.2" colour Multi Information Display shows fuel consumption levels, outside temperature, possible cruising range as well as other important trip and vehicle details.

The 8" colour touchscreen provides one-touch control of essential functions through a highly intuitive interface of steering wheel buttons or direct contact with the screen. Apart from controlling audio, phone and voice commands, the screen also displays important information including audio and communication details. To help get you to your destination with minimum fuss, satellite navigation¹ is also standard on Fortuner GXL and Crusade. The AM/FM audio system comes with Bluetooth^{2,3} and USB connectivity² that allows you to connect compatible devices to play your favourite music and content. It also supports Apple CarPlay^{4,5} and Android Auto^{4,6} (speak to your Dealer about device compatibility), allowing you to navigate and access your apps on compatible smartphones.

Crisp audio is delivered by digital radio⁷ that comes as standard on Fortuner GXL and Crusade, with the sound definition further enhanced with an 11-speaker JBL⁸ premium audio system on Crusade.

Fortuner delivers all the advanced functionality and control you need to make every journey a joy.

B Power back door – Crusade model shown

A natural performer in every way

With its impressive array of finely-tuned features and enhancements, Fortuner establishes a new standard for performance across both busy urban and rugged off-road environments.

The fuel efficient 2.8L 4-cylinder turbocharged diesel engine is linked to a smooth 6-speed automatic transmission and boasts 150kW of highly responsive grunt with 500Nm of torque to easily shoulder the load. Having such an abundance of power also delivers an impressive 3100kg braked towing capacity.⁹

Further improvements in fuel efficiency can be achieved by using the Eco Mode to automatically adjust the engine performance and reduce the power demand in relation to acceleration and the heating or cooling.

Ride comfort has also been refined to elevate the travelling experience for everyone inside. Wind, road and engine noise are suppressed with sound absorbing material throughout the body as well as snug side door and glass seals.

The suspension package has also been developed, tested and tuned in Australian conditions to be equally at home on city roads or rough dirt tracks as well as providing a superior level of ride and handling.

With such lively performance and assured control, tackling any challenge has never felt more rewarding.

Toyota Connected Services¹⁰

12 months complimentary access¹⁰

Driving should be easy, enjoyable and safe. That's why inside every connected Toyota you'll find a suite of advanced features focused on safety and convenience for a better driving experience, all seamlessly integrated into the myToyota Connect app.¹⁰

Learn more, and discover the Toyota Connected Services on your vehicle by visiting toyota.com.au/connected

For Toyota Connected Service Packages see toyota.com.au/connected/plans-packages

Test drive the app now, no Toyota required:

Safety and Security

People and property are precious. Toyota Connected Services' advanced features are designed to help protect them all. In emergencies, you can utilise push-button SOS Emergency Call^{11,12} (SOS). It contacts Toyota Emergency Assistance directly, guiding services to your location. In the event of a collision, Automatic Collision Notification^{11,13} (ACN) is designed to activate, calling you directly in-car, and if you are unresponsive, dispatching emergency services to that location. Should your car be reported stolen, Stolen Vehicle Tracking^{11,14} (SVT) will utilise vehicle tracking technology via our Stolen Vehicle Assistance Call Centre to help police to potentially recover your vehicle.

Remote Connect

Control vehicle functionality, even when you're not in the driver's seat. Our Connected features enable you to remotely start your engine (up to 10 mins prior), lock and unlock doors and boot, as well as activate remote horn buzzer, hazard and headlights. Perfect for locating your vehicle in a crowd, or just flagging emergencies. You can even heat or cool your car automatically before you step in with Toyota's Remote Climate Control feature.

Driver Insights

The myToyota Connect app gives you a complete view across your entire drive. Review recent trips and, with Drive Pulse Score,¹⁵ understand how braking and cornering can be improved to help maintain your car. The features let you run quick checks on odometer, fuel levels and distance to empty¹⁶ to aid journey planning. You can also spot unlocked doors or windows left open away from your car using the in-app Vehicle Status features, and set up alerts. A Vehicle Locator also helps you find where you last parked, and our Glove Box feature opens access to digital warranty and manuals for you.

Multimedia Connect

Toyota's interconnected multimedia platform includes Connected Navigation which provides current parking availability, traffic, weather and fuel prices for your journey. Through Connected Voice Assistant, control vehicle features including navigation, audio and climate settings. With Connected Trip Start and Finish features you can plan routes, search a point of interest and send it to your car. When driving and not reaching your endpoint, the app notes the full route when you park, allowing you to continue navigation on foot with your phone or device.

Rock solid safety and protection

Toyota's long standing attention to safety provides the reassurance of knowing every Fortuner is equipped with seven SRS airbags to ensure exceptional all-round protection inside the cabin.

Brake Assist¹⁶ will help ensure the safest possible braking distance should you need to brake during an emergency.

Vehicle Stability Control¹⁶ will automatically help maintain grip on slippery surfaces and provide greater control when cornering.

If a trailer begins to sway, then Trailer Sway Control¹⁶ will automatically use brake and engine control to help suppress the movement.

The reversing camera¹⁶ helps deliver a clear view of what's behind and provides static guidelines to help you reverse into tight spaces. The front and rear parking sensors¹⁶ also provide an active warning using buzzers and the Multi Information Display as the vehicle approaches stationary objects.

- A Reversing camera¹⁶ – Crusade model shown
- B Vehicle Stability Control (VSC)
- C Anti-lock Braking System
- D Trailer Sway Control
- E Hill-start Assist Control¹⁶ (HAC)

Toyota Safety Sense

Toyota
Safety
Sense

At Toyota, we believe it's simply not enough to say "safety comes first" – we prove it. That's why, in our ongoing pursuit of creating ever safer cars, now and into the future, we developed Toyota Safety Sense¹⁶ (TSS). A suite of active safety features designed to help support safe driving and help protect you and your passengers.

Fortuner features the latest TSS driver assistance technologies, aiming to recognise and help avoid certain hazards and collisions, giving you and your passengers greater peace of mind wherever you're headed. Please visit toyota.com.au for vehicle and specification information.

Pre-Collision Safety system with pedestrian and daytime cyclist detection

Pre-Collision Safety¹⁶ (PCS) system with pedestrian and daytime cyclist detection is a multi-stage warning system. Using an integrated camera and radar to help detect other vehicles in front of you, the PCS system is designed to assist the driver where there is a likelihood of frontal collision with cars and pedestrians during day or night, or cyclists during the day time. PCS system includes a visible and audible alert of possible collisions, additional braking force to assist when you're braking, and if a collision appears to be unavoidable automatic braking to help mitigate impact.

Road Sign Assist (speed signs only)

Road Sign Assist¹⁶ was developed to help recognise certain road speed signs and provide information to you. It displays the most recently recognised speed limit on the Multi Information Display.

Active Cruise Control (high speed)

Active Cruise Control¹⁶ is designed to help keep a constant distance between vehicles. It uses a millimetre wave radar to monitor the gap between your vehicle and the one in front, automatically accelerating or slowing down when needed to help you maintain a set distance.

Lane Departure Alert with brake to steer

Lane Departure Alert¹⁶ with brake to steer is designed to help prevent vehicles drifting from their lane, by monitoring road markings, and providing a visible and audible alert should it detect any deviation from the lane. It may also apply additional braking force if needed, to help you stay in your lane.

GX

Refined toughness ready to start your next adventure.

- 2.8L turbo diesel engine
- 6-speed automatic transmission
- 17" alloy wheels with steel spare wheel
- Side steps
- Variable Flow Control steering
- LED headlamps and Daytime Running Lamps
- Air-conditioned cool box
- 6-way driver and 4-way passenger manual seats
- 60:40 tumble and slide 2nd row
- 6 speakers and 8" colour touchscreen display
- Apple CarPlay^{®4,5} and Android Auto^{™,4,6} – speak to your Dealer about device compatibility
- 7 SRS airbags
- Front and rear parking sensors
- Toyota Safety Sense – including Pre-Collision Safety system with pedestrian and daytime cyclist detection, Lane Departure Alert, Active Cruise Control (high speed) and Road Sign Assist (speed signs only)
- Reversing camera
- Smart entry and start system
- Toyota Connected Services¹⁰ with 3 years complimentary access – including myToyota Connect¹⁰ app access, Stolen Vehicle Tracking,^{11,14} Automatic Collision Notification^{11,13} and SOS Emergency Call^{11,12}

GXL

8" colour touchscreen display

60:40 tumble and slide second row seat
- GXL Option pack shown

Take the next step up and follow your own path. In addition to, or replacement of, GX features:

- Premium steering wheel with paddle shifters
- Downhill Assist Control
- LED fog lamps
- Satellite navigation
- Digital radio
- Front dual-zone climate control
- Rear privacy glass
- Roof rails

- 20 Toyota Genuine Parts/Accessories purchased at and fitted by a Toyota Dealer to a Toyota vehicle which was purchased on or after 01/01/2019, are warranted for the remainder of that vehicle's Toyota Warranty Advantage period, or 2 years from installation (whichever is greater). Genuine Parts/Accessories purchased from, but not fitted by, a Toyota Dealer are warranted for 2 years from date of purchase. See toyota.com.au for T&Cs. This warranty does not limit and may not necessarily exceed your rights under the Australian Consumer Law.
- 21 See your Dealer for Toyota Genuine Accessory suitability and fitment, and Owner's Manual for GVM limit. Colours may vary from actual. Visit toyota.com.au/vehiclepayload
- 22 Standard scheduled logbook services only. T&Cs apply. Visit toyota.com.au/advantage
- 23 Terms and conditions apply. This advice is general in nature and does not take into account your objectives, financial situation or needs. Before making a decision to purchase any of the insurance products you should consider the appropriateness of the advice taking into account your own objectives, financial situation and needs and refer to the current PDS and Target Market Determination for the relevant product available from participating Dealers, via our website at toyotainsurance.com.au or by calling 137 200. Toyota Car Insurance purchased in a dealership or via the Toyota Insurance National Customer Solutions Centre is facilitated by Toyota Finance Australia Limited ABN 48 002 435 181, AFSL and Australian Credit Licence 392536 as agent for, and on behalf of, the insurer. The insurer of Toyota Car Insurance is Aioi Nissay Dowa Insurance Company Australia Pty Ltd ABN 11 132 524 282, AFSL 443540 (Adica). If Toyota Car Insurance is purchased online, the issuer and insurer is Adica. *This figure represents the total number of Toyota vehicles that have been insured by Toyota Insurance as at November 2021.
- 24 Lower monthly repayments compared to a similar term with no Guaranteed Future Value (GFV) or equivalent balloon final payment. Total interest charges will be higher if a GFV or balloon final payment is selected.
- 25 Guaranteed Future Value (GFV) is the minimum value of your new or approved demonstrator Toyota at the end of your finance contract, as determined by Toyota Finance subject to fair wear and tear and agreed kilometres being met. Ask your dealers for more information. Approved applicants only. T&Cs apply. Toyota Finance Australia Limited ABN 48 002 435 181, AFSL and Australian Credit Licence 392536.
- 26 Applicable to pre-owned vehicles purchased as a Toyota Certified Pre-Owned (TCPO) vehicle on or after 01/01/2022. TCPO 2022 Warranty expires 1 year after sale, or 1 year after the current New Vehicle Warranty expires (if applicable), or 10 years from date of registration in original owner's name, or at 160,000kms (whichever occurs first). TCPO Warranty does not apply to vehicles used for commercial purpose (eg taxi or rideshare). See toyota.com.au/tcpowarranty for T&Cs. This warranty does not limit and may not necessarily exceed your rights under the Australian Consumer Law.
- 27 The Toyota Warranty Advantage Extended Engine and Driveline coverage is for 7 years from delivery, provided your vehicle is properly serviced and maintained per its Warranty and Service Book. Excludes vehicles used for a commercial purpose, such as taxis, hire vehicles and vehicles transporting people or goods for payment including rideshare. See toyota.com.au/owners/warranty for details. This warranty does not limit and may not necessarily exceed your rights under the Australian Consumer Law.
